Competition procedure

13. Please check whether you have all necessary **forms** filled out and ready (see Checklist below). You can download the forms [here](#). Make sure that all team members who

ODYSSEY OF THE MIND DEUTSCHLAND EU.

were actively involved in solving the Long-term solution, as well as all Coaches and Co-Coaches sign the Outside Assistance Form.

14. Please make sure you have read the [program rules](#) in the 2026 Program Guide and have checked your Long-term problem's general [clarifications](#) to make sure that you meet all requirements.
15. Please arrive at your designated competition site at least **20 minutes before** your scheduled **Long-term** competition time; this is the respective pre-staging area. For **Spontaneous 10 minutes** are sufficient; please go to the holding room (room **R111**).
16. For Long-term, show up in your costume, make-up, and hair styles and have all your sets, props, and documents with you. **Staging Area Judges** will welcome you in the **pre-staging area** (follow signs for “**team entrance**”).
17. Teams competing in **Problem 4** have an additional **Weigh-in time** (please note the extra time slot in the competition schedule). The Weigh-in room is located on the ground floor of the **red building** (room **R134**).
18. Teams in **Problem 1** should take appropriate measures to protect the floor of the stage according to their use of **baking powder**.
19. Please bring your own **cleaning supplies** in order to leave a clean stage for the next team and to clean your team room.
20. Coaches may pick up their team's **Long-term scores** from the respective problem's Head Judges together with one team member as soon as the team's name is posted on the designated notice board at their stage. Please only approach the Head Judges in between team performances.
21. Please remember that the **Spontaneous** problems must be kept **secret!** Please **do not discuss the problems**. Only teams may enter the spontaneous rooms. An exception will be made for primary teams, where one coach may accompany the team. Please make sure that team members refrain from bringing any backpacks and devices that make sounds (e.g. cell phones, watches) with them. The team should decide on the language (English or German) in which the problem will be read out to them.
22. We would love to see photos of everyone having fun during the competition posted and linked to our **Social Media** channels. The **video of the day** will be published on our website a couple of days after the German Finals; be sure to check it out again after the closing ceremony. If you don't want to be seen on published photos, please inform us during check-in.
23. Please note the phone and LTE connectivity within the school buildings is NOT reliable.

24. We ask all teams to **refrain from bringing nut-products** (including peanuts/peanut butter) with them, as we do not want to risk contaminating the nut-free zones at the school!

... and finally!

25. **Please behave like good guests!** Do not damage anything at the John F. Kennedy School (esp. the smart boards). Please **clean up** after yourself, especially in your assigned team rooms. Use the **dumpster** provided on campus (behind the auditorium) in order to throw away larger unwanted items. Please do not leave any trash in the rooms and **empty all trash bins** into the dumpster! Please **restore the seating arrangement** in your team room (take a picture or make a sketch before you rearrange the tables and chairs).

We wish you lots of success, good luck, and a ton of fun during your final preparations for this year's German Finals!

Make sure to watch other teams' Long-term performances during the tournament day! Support other teams and show that Odyssey spirit! We want to see the audience seating filled with other teams: be inspired, laugh and have fun.

We look forward to seeing you all,

Vicky Bluhm, Marleen von der Heiden & Alexander Haake
